

Thank you for your interest in Volunteering for Vacation Bible School!

We need around 350 total volunteers to run our VBS program successfully.

Who can serve?

You may help if you have completed 7th Grade. You do not need to attend Grace Presbyterian Church to serve, but you must pass a screening process.

Are there any restrictions on where I can serve?

- If you have not completed high school, you may serve as a Helper. To serve as a Table Teacher, you need to have finished high school.
- If you have not started high school, you may only serve in Two-year-olds through 2nd grade.
- If you have finished your freshman year of high school, you may also serve in Recreation or Toddlers.
- If you have finished High School, you may serve in any department.

Will I be trained? How will I know what to do?

The Department Coordinator and/or VBS Director will help you to know what to do for your particular job. Also, there will be an Informational Meeting (Training) held on the last Wednesday of May at 6:30 p.m.. If you ever have any questions, please contact the Department Coordinator or the VBS Director. They are happy to help!

What is my time commitment?

For most jobs, during the week of VBS, you should arrive by 8:30 a.m. and will be able to leave by 11:45 a.m. Also, you should plan to attend the Informational Meeting (see above), since this is your only formal training.

I can't serve every day during Bible School, but I still want to help.

- There are many jobs available, including subbing spots. When you register, indicate the commitment you are able to make and someone will contact you with some options.
- Also, many people take vacation days or take off work only in the mornings. Others rearrange their work schedule so they can serve and still get their hours in at work. If your company requires service hours, this is a great way to fulfill them.

I can't serve but would like to donate money or supplies to help with the costs of VBS.

You may send a check to the church, indicating you want it to go to VBS. Or, you can contact the VBS Director for a list of ideas that you could purchase and then donate the item needed.

How do I register?

- All volunteers must fill out the Volunteer Information Form, even if you have filled it out in past years. You may do this online. If you have any trouble, please contact the VBS Director for assistance.
- If you do not know where you want to serve, please indicate that on the form. Use the comment box to give any details about some of the places that interest you. Someone will contact you with some ideas.
